Sir,

Sub: Livestock - District Livestock Farm, Koila, South kanara - Surveying of - Proposal.

- - - -

The District Livestock Farm, Koila, South Kanara has a total area of about 760 acres which were partly acquired and partly transferred to this Department in G.O.Ms.No.2456, Development dated 9-5-1949 and G.O.Ms.No.1463, Revenue dated 18-5-1950. The area is reported to be uneven with far too wide elevations and depressions forming miniature hillocks and valleys. Different blocks measuring in all about 550 acres are said to be fit for being used as pasture area, including 50 acres of small blocks which have been broken up recently. The forest area is estimated to be about 100 acres. The balance of about 110 acres is covered by buildings, roads, nallas etc. The above particulars are only approximate, as no detailed survey of the area has been done.

2. It is reported that the village records provide some idea about the survey numbers that have been merged to constitute the farm area as a whole. This however is not of much value now, since the farm as a unit has been subdivided into paddocks suitable for grazing hay making etc., and into blocks termed "Fields" suitable for fodder cultivation apart from the areas occupied by buildings, roads etc. In view of the undulating nature of the surface, high gradient etc., with the consequent obstructions to sight, it is not possible to assess by mere marginal survey to supplement the information that may be available in the village Records.

3. It is, therefore, considered necessary to have a fresh survey made without which the correct extent of each paddock, field etc., comprising the whole area of the farm cannot be ascertained. The Collectorof South Kanara has informed the Superintendent, District Livestock Farm, Koila that a special Deputy Surveyor will have to be employed for a period of not less than six months for the work, since the extent is large and that a sanction of Government is necessary to conduct the intended survey of the farm. A copy of the letter of the Personal Assistant to the Collector L.Dis.3061/55 dated 1-2-55 is enclosed for the information of Government.

4. I request that Government may be pleased to order a fresh survey of the District Livestock Farm, Koila, South Kanara in its present formation and also sanction the required staff for the purpose of as may be recommended by the Collector of South

Kanara District. It is presumed that the expenditure on this account will be met by the Revenue Department.

Your letter dated 19-6-54 and the subsequent reminders do not seem to have been received here. Since the proposals under reference have to be submitted to the Board of Revenue, Madras, please state whether this intended survey of the Cattle farm has been approved by the Government and if so, send a copy of the same with the following particulars.

1.Nature of survey.
2.Details of locality.
3.Area
4.Remarks.

Since the extent is large a special Deputy Surveyor will have to be employed for a period of not less than 6 months for the work and sanction from the Government is necessary.

Ref: From the D.A.H. letter Roc.No.B2-6464/55 dated 10-6-55.
From the Bd.of Rev. Ref:No.17160/55 dated 9-1-56.

...

The D.A.H. has reported that the Dt. Livestock Farm, Koila, S.Kanara has a total area of about 760 acres which were partly acquired and ~~poultry~~ partly transferred to the A.H.Dept., and that the area is uneven with far too wide elevations and depressions forming miniature hillocks and valleys. For the reasons reported in para 2 ~~of~~ on 1 c.f, the D.A.H. considers it necessary to have a fresh survey made without which the correct extent of each paddock field etc. comprising the whole area of the farm cannot be ascertained. He has therefore requested the Govt. to order a fresh survey of the Dt.Livestock Farm in its present formation and also sanction the required staff for the purpose.

2. The Collector of S.Kanara has recommended ~~xxx pk~~ the proposal of the D.A.H. referred to in para 1 above and has reported that the staff required will be one Deputy Surveyor on Rs.60-80, two ~~chairman~~ chainmen on Rs.15-20 for a period of six months and two mazdoors on daily wages of Rs.1-4-0 each day for 20 days in a month for 6 months. The total cost involved works out to Rs.1880-0-0. The Bd.of Revenue has also recommended the above proposal.

3. In the above circumstances it is for orders whether the proposal of the D.A.H. to ~~x~~ resurvey the Koila Farm will be approved and if so the case may

p.t.o

be transferred to Revenue for further action as the expenditure is to be met by the Revenue Department.

The total cost involved in the farm land, is surveying Rs 1880/- As the survey will help the farm authorities to correctly set apart paddock & fields for grazing, hay making, fodder cultivation etc the dept. may support the proposal of the D.A.H. & transfer the case to Rev

Rev. Deptt.

To U.S.

The note of Agri. on pp.1-2 above may be perused.

2. It is submitted that this Deptt. is concerned with maintenance of survey. The proposal in this file envisages a fresh survey of the Dt. Livestock Farm, Koila, South Kanara and in such cases orders sanctioning the survey and the required staff are issued from the administrative Deptts. concerned. The survey is not for purposes of revenue. Further the expenditure on account of the survey of Livestock Farms should be met from the provision made under 'Livestock', with which Agri are concerned, and not under 'Revenue' as stated by Agri at X above.

With these remarks, the file may be returned to Agri.
